

ADDENDUM TO JULY 16, 2013 BOARD MEETING MINUTES

At the July 16, 2013 Board Meeting an enthusiastic discussion ensued pertaining to attracting new members to join LIA.

1) The first discussion centered on LIA providing a free T-shirt to all new and renewing members for 2014. At the October 14, 2013 Board Meeting the Board decided that Severn should derive at T-shirt prices and that Severn should contact the Board via email and get a vote on which company from which to order T-shirts. Through the help from Wes Gauthier, Severn was able to get a quote from Discount T-shirts for \$4.25/shirt and consequently, emailed the Board for approval to order the shirts. Simultaneously, Severn included a yellow notice in the 2014 renewal notices to all members asking for their T-shirt size and telling them that they would be receiving a T-shirt in their renewal packet. By February 4, 2014 John R. Kavanaugh, Curt Bowman, Julie Broussard, Jack Hopper, Marianne Joye, Wes Gauthier and Wanda Tiblier all voted YES to the order. The T-shirt order was placed on March 17, 2014 for 80 T-shirts for a total of \$340.50, they were shipped on April 2, 2014 and they arrived April 4, 2014.

2) It was further moved by Wes Gauthier, seconded by Wayne Orton, that during the Basics Classes, Severn would offer to those persons who would take the Landscape Irrigation Contractors License Exam, that if they became members first, pass the exam and got their license, that through a lottery system, the winner would receive a \$50.00 reimbursement for their cost to take the exam. Motion carried. During the March 12, 13, 2014 Basics Class two individuals became members and both took and passed the license exam. Jerome Markham Viator won the coin toss and when he pays to get his license, LIA will reimburse the \$50.00 he paid to take the license exam.
